

The "Give a Blessing" Project 3 SUMMER 2015

It will take over 300 wooden studs to build the next Habitat for Humanity home in Cape May County, breaking ground in late June 2015 at 311 W Anna Street in Whitesboro. Join other members of our local faith community and "Give a Blessing" to our new homeowner partner family, Nicole Gibson & her sons Nicholas and Noah.

Sponsor a stud for \$50, and inscribe it with a message, prayer or scripture that will become a permanent part of the walls of their home.

Then join us for the "Studfinder Reception" in August 2015, where you can meet the homeowner family, & find your blessing built into the frame of the house.

When decorating studs, please use paint or permanent marker. Blank studs are available at local churches and completed studs will be picked up by Habitat. Please submit this sponsorship form and payment to your church "Blessings" coordinator.

Give a Blessing to the new Habitat Family!
